

2079 DUNDAS STREET

For Lease | Prime Grandview-Woodland Restaurant/Retail Opportunity

THE LOCATION

The subject property is situated in the heart of Vancouver's vibrant Grandview-Woodland neighbourhood, one of the city's original industrial hubs. Just two blocks north of the innovative Ironworks Development by Conwest, the area has evolved into a hotspot, drawing influence from the nearby Gastown and Railtown markets. This thriving district is now brimming with chic restaurants, cafés, distilleries, microbreweries, and creative spaces. Visit standout spots like Aleph Eatery and Niwa for a unique meal, or unwind with a handcrafted beer at popular breweries such as Parallel 49, Andina, or Powell Street Brewery. Stop by local favorites like JJ Bean Coffee Roasters, Pallet Coffee Roasters, or Far Out Coffee Post for a perfectly brewed cup.

The area is full of eclectic charm and character, dense with low to mid high-rise apartment buildings. With the recently implemented Grandview-Woodland Community Plan, the city has devised a thoughtfully managed framework for the anticipated population growth of 10,000 people moving into the area in the decades to come while still protecting the neighborhood's character. The neighbourhood is well-served by transit and bike routes and is just 10 minutes from the new St. Paul's Hospital and 15 minutes from Downtown Vancouver. This is an ideal location for businesses looking to be part of a dynamic and growing neighbourhood.
