THE LOCATION

With the classic vibrancy and charm of Gastown, new retailers continue to open in the area including Arcade Showroom, Kit & Ace, CNTRBND, and the much anticipated Franco-Japanese fashion and music brand, Maison Kitsuné’s first Canadian location. Additionally, as tech giant Microsoft plants a flag in the heart of Gastown with its new 300 employee, 75,000 SF offices now open, home grown tech firm Global Relay hiring an additional 250 employees, and staff returning to offices, this is an exceptionally strategic opportunity to capitalize in the resurgence of Vancouver’s original entertainment, tech, and tourist district, Gastown. Other acclaimed eateries in the immediate area include L’Abattoir, Ask for Luigi, and Di Beppe. There is also a thriving retail market which includes Roden Gray, Herschel Supply Co., Oak + Fort, Gravity Pope and Inform Interiors - all establishing Gastown as one of the most stylish neighborhoods in the world.
